Re: Student Health Forms Disclosure

The following is intended to clarify the use and purpose of information on the Student Health forms that you submit to Student Health Services.

Contents of Student Health Service student records may be disclosed to other persons or offices if considered necessary by Student Health Services for the health or safety of any individual(s) or to consider the student's ability to fulfill the Essential Functions of the educational program.

Any disclosure made by you to Student Health Services on the student Health form or in any other manner does not constitute notice to UMDNJ of a disability or handicap and will not be considered a request for accommodations. All requests for reasonable accommodations must be made directly to the School of Health Related Professions –The Disabilities Compliance Coordinator at (973) 972-8594 in accordance with the procedures of the School.
