## Try a Course

At SHRP you can take up to twelve credits as a non-matriculated student. It's a great opportunity to experience coursework before applying for a specific degree. Some students who have missed program application deadlines start taking courses as a non-matriculated student and then apply for admission to a program, meeting the next deadline. The Center for Advanced and Continuing Education (CACE) enrolls non-matriculated students. CACE can be reached at 732-235-4458 or online at [http://shrp.umdj.edu/programs/continuing\\_ed.html](http://shrp.umdj.edu/programs/continuing_ed.html). You can also call Enrollment Services at 973-972-5454 with your questions. Registration forms are on the web at <http://shrp.umdj.edu>.

## Are you thinking about health care careers or your present job or going to graduate school?

Growth in the health care industry has propelled UMDNJ's School of Health Related Professions (SHRP) into the forefront of preparing students for careers in the fast-paced healthcare environment. More than 1300 students attend SHRP, which is renowned for specializing in educating health care practitioners. Our programs have received national recognition and are widely respected in the health care field. Whatever program you choose, all programs have one thing in common—exceptional preparation for an exciting health-related career.

## Frequently Asked Questions

- **What is the University of Medicine and Dentistry of New Jersey (UMDNJ)?**

UMDNJ is the state university of the health sciences. There are eight schools on four campuses across New Jersey and a fifth Internet Campus. UMDNJ is the largest university of its kind in America and is a leader in health care research, education, and patient care.

- **What is SHRP?**

SHRP stands for the School of Health Related Professions, one of eight schools at UMDNJ. Our specialization is two-fold:

- (1) Preparing students for entry-level health care careers.
- (2) Educating health professionals for career advancement.

- **What types of degrees and programs does SHRP offer?**

Programs are at all levels including the Doctoral, Masters, Bachelors, Associate degree and Certificate levels. Many programs are offered in conjunction with our thirty SHRP affiliate colleges and universities.

- **What does it mean that SHRP has affiliations with other institutions?**

Affiliations are partnerships that SHRP has formed with other higher education institutions to provide you with the best education possible. SHRP offers all of the health-related courses and the affiliates offer the general education, basic sciences, and liberal arts courses. In some programs, you start coursework at the affiliate before taking classes on the UMDNJ campus. You may receive a joint degree from UMDNJ and the affiliate, or you may receive a degree from an affiliate and a certificate or degree from UMDNJ. It is all determined by the program you choose.

are you looking for career advancement in  
Well, you've come to the right place.

**• Where do I apply for admission?**

It depends on the program. Review the admissions steps in this brochure and refer to the chart that follows for specific admission criteria. For many programs you may also apply online at [http://shrp.umdj.edu/admissions/online\\_app.htm](http://shrp.umdj.edu/admissions/online_app.htm).

**• Where do I register?**

As a general rule of thumb, you register where you pay tuition, (SHRP or an affiliate).

**• Where do I take classes?**

You can take classes on any of the four SHRP campuses, at the affiliate, or over the Internet. The campuses are located in Newark, Scotch Plains, Piscataway, Stratford, and the Internet.

**• Where do I get clinical experience?**

SHRP has hundreds of clinical sites where you may obtain practical experience. You have the opportunity to work with diverse populations and with other health professionals. Your experience could take you to an urban or rural setting, or even back to your hometown.

**• What is offered over the Internet?**

More and more courses and programs are being offered over the Internet. Check our Web site for our course schedule at [http://shrp.umdj.edu/course\\_schedule/index.html](http://shrp.umdj.edu/course_schedule/index.html). The campus column tells you the campus or if web-based.

**• Can I take courses on a full-time or part-time basis?**

Some programs require full-time attendance and others provide the option of attending full-time or part-time. Refer to the following chart for program requirements.

**• Who are the faculty that make up SHRP?**

SHRP is proud of its top-notch faculty. Many are regionally and nationally recognized leaders in their field. Most have been practitioners themselves. All are committed to helping students receive a high-caliber education.

**• What is the advantage of attending SHRP?**

The big advantage is that SHRP specializes only in health care education. All our resources go toward supporting a health care educational environment that attracts and nurtures the very best faculty and students.

**Admission Steps**

**1**

You may obtain an application to the program of your choice through (1) SHRP Enrollment Services (2) The Program Director when a specific program application is required or (3) The affiliate's Admissions Office. The program chart tells you where to apply and when to apply. Your questions can be answered by members of the Office of Enrollment Services, School of Health Related Professions, 65 Bergen Street, Room 149, Newark, NJ 07101-1709. Phone 973-972-5454 Email [shrpadm@umdj.edu](mailto:shrpadm@umdj.edu). You may also contact the Program Director listed on the chart.

**2**

Forward all documentation such as official transcripts, recommendations, test scores, immediately after you send the application for admission.

**3**

Refer to the chart that follows to determine specific program requirements. Some programs have separate program applications that must be completed. Some require you to interview with an admissions committee. Others require licensure in a health-related field before you can be admitted. Most programs require a criminal background check after the offer of admission.

**4**

International students need to take the TOEFL examination and obtain an official evaluation of their credentials unless applicants have a degree or sufficient coursework from a regionally accredited US college or university. International applications due March 1 for Fall and July 1 for Spring.

# ADMISSION AND DOCUMENT REQUIREMENTS

## DOCTORAL DEGREES

PROGRAM & DIRECTOR	LENGTH OF PROGRAM AT SHRP	APPLICATION DATE	EDUCATION REQUIRED	TRANSCRIPTS	LETTERS & INTERVIEWS	OTHER
<b>Biomedical Informatics</b> Syed Haque, Ph.D. 973-972-6871 haque@umdnj.edu	Minimum 61 credits beyond MS degree in Biomedical Informatics FT/PT	Apply to SHRP by: June 1 for Fall term, October 1 for Spring term, April 1 for Summer term	MS or MA degree from a recognized university in any of the following disciplines: Biological Sciences, Health Sciences (e.g., public health, medicine, dentistry, nursing, or health professions), Biomedical Sciences, Computer Science, Information Management, or a relevant discipline.	Official Transcript of Master's Degree and other higher education degrees	3 Letters of Recommendation	Program Application, Statement of Research Interest, CV/Resume, access to Internet. Basic understanding of databases concepts and elementary calculus.
<b>Clinical Nutrition</b> Riva Touger-Decker, Ph.D. 973-972-8525 ms-cn@umdnj.edu	51 credits FT/PT web-based*	Apply to SHRP by: October 15 for Spring term and April 1 for Fall term	Master's Degree preferably in Nutrition or a related field & R.D. required	Official Transcript of highest degree and any transcript listing post-highest degree course work. If the highest degree is not in nutrition, the transcript from the nutrition degree must be included.	1 Letter of Recommendation  Personal Interview	Notarized copy of R.D. card, resume, Statement of short and long term career goals and reasons for pursuing a DCN. Minimum GPA of 3.4.
<b>Health Sciences</b> Margaret Kilduff, Ph.D. 973-972-9489 MS-PhD-HS@umdnj.edu	Minimum 60 credits beyond MS degree FT/PT web-based*	Apply to SHRP by: March 1 for Fall term (admission once per year)	Master's Degree	Official Transcript of highest degree	3 Letters of Recommendation  Personal Interview	GRE General Test, Statement of Research Interests, Resume/Curriculum Vitae, Copy of Current License/Certification (if applicable).
<b>Physical Therapy-North</b> Entry Level DPT Nancy Kirsch, PT, DPT, Ph.D. 973-972-5272 boylepk@umdnj.edu	110 credits 3 years FT	Apply to www.ptcas.org by: October 1 After that date, applications will be accepted and reviewed on a space available basis.	Bachelor's Degree OR Completion of 3 undergraduate years at an approved affiliate (see footnote 1) Prerequisites: chemistry, physics, anatomy & physiology (with laboratory), calculus, psychology, statistics	All Official College Transcripts	3 Letters of Recommendation at least two from physical therapists  Personal Interview	GRE General Test, Knowledge of the field through actual work or volunteer experience.
<b>Physical Therapy-South</b> Entry Level DPT Marie Koval Nardone, PT, EdD 856-566-6456 mptgradm@umdnj.edu  Affiliate: Rutgers University-Camden	110 credits 3 yrs FT (9 semesters)	Apply to Rutgers-Camden. Rolling admissions process. Priority given to applications received by December 15 for Summer term.	Bachelor's Degree  Prerequisites: 1 course in the biological sciences (with laboratory), english composition and writing, and statistics; 2 courses with laboratories in anatomy and physiology, (with laboratory) chemistry, physics; 4 courses in the humanities, sociology and/or psychology  Maximum of 4 prerequisites outstanding at time of application	All Official College Transcripts	3 Letters of Recommendation  One must be from a physical therapist and one an academic letter  Personal Interview	GRE General Test; statement of interest in physical therapy, personal characteristics, participation in community service activities, and professional goals; List of volunteer or paid physical therapy experience (2 experiences required); Physical therapy prerequisite verification form; resume or curriculum vitae; interview required.
<b>Physical Therapy-North</b> Post-Professional Sandra Kaplan, PT, Ph.D. 973-972-8576 kaplansa@umdnj.edu		No longer accepting applications				
<b>Psychiatric Rehabilitation</b> Carlos Pratt, Ph.D. 908-889-2461 psr-grad@umdnj.edu	76 credits FT/PT	Apply to SHRP by: June 1 for Fall term, November 15 for Spring Term	Bachelor's Degree	All Official College Transcripts	3 Letters of Recommendation  Personal Interview	Essay/Personal Goals, GRE General Test, Significant Psychiatric Rehabilitation experience.

## SECOND BACHELOR OF SCIENCE DEGREES

**A Second Bachelor's Degree is awarded in the following**

**Programs:**

**BSAHT:**

- Diagnostic Medical Sonography
- Nuclear Medicine Technology
- Respiratory Therapy South
- Respiratory Care North
- Vascular Technology

**BSCLS:**

- Cytotechnology
- Medical Laboratory Science

**BSHS:**

- Coordinated Dietetics

– **Health Information Management**

– **Psychiatric Rehabilitation & Psychology**

For all Bachelor s degrees that SHRP offers, students may also apply for a 2nd B.S. if they earned their Bachelors from a U.S. regionally accredited college or university. See BS degree requirements above.
