

Dental Insurance

UMDNJ offers a dental insurance plan to students, postdoctoral fellows and their dependents. It is not required insurance. Those interested in participating in the plan should enroll on-line through University Health Plans (UHP). The on-line enrollment form, plan benefits, and network dentists be found by linking to <http://universityhealthplans.com> , and following the links to the UMDNJ dental insurance information. Questions or the enrollment process can be referred by email to info@universityhealthplans.com , or phone at 800-437-6448.
