

SCHOOL OF HEALTH RELATED PROFESSIONS

University of Medicine & Dentistry of New Jersey

EXECUTIVE DIRECTOR

The University of Medicine and Dentistry of New Jersey Institute of Complementary and Alternative Medicine

The UMDNJ-School of Health Related Professions (SHRP) seeks an Executive Director to lead the UMDNJ Institute for Complementary and Alternative Medicine (ICAM). The Institute's mission is threefold: (1) to facilitate, conduct and obtain support for collaborative clinical and translational research in complementary and alternative medicine; (2) to serve as an educational resource and develop integrative curricula and educational programs on complementary and alternative medicine; (3) to work collaboratively with all schools at UMDNJ to support the integration of evidence-based complementary and alternative medicine into existing clinical settings and clinical research programs

Successful candidates must have a doctoral degree, a strong track record of scholarship and history of peer-reviewed extramural funding. The Executive Director will be expected to maintain a vigorous, and independent extramurally funded research program, to build productive collaborations between ICAM and all of the schools, institutes, and clinical centers at UMDNJ, and to continue to grow ICAM into a nationally recognized center for CAM research.

Applications including a cover letter outlining accomplishments and suitability for this position, a curriculum vitae, and contact information for up to five references should be submitted electronically to the attention of Dr. Gwendolyn Mahon, Search Committee Chair, at leckyal@umdnj.edu

All applications will be treated with confidentiality.

UMDNJ is an AA/EOE, M/F/D/V Employer. Women, minority applicants, and dual career couples are encouraged to apply.
