

Department	PI	Sponsor	Proposal Type	Title	Proposed Start Date	Status
Psych Rehab	Kenneth Gill	US Dept of Education - NIDRR	Training/Education	Advanced Rehabilitation Research Training in Psychiatric Rehabilitation	9/1/2005	Funded
Psych Rehab	Nora Barrett	US Dept of Education - RSA	Training/Education	Long Term Training: Undergraduate Education	1/1/2006	Funded
Psych Rehab	Janice Oursler	US Dept of Education - RSA	Training/Education	Long Term Training: Rehabilitation of Individuals with Mental Illness	9/1/2005	Funded
Psych Rehab	Janice Oursler	US Dept of Education	Training/Education	Rehabilitation Long Term Training: Rehabilitation of Individuals	7/1/2009	Pending
Psych Rehab	Kenneth Gill	US Dept of Education		Psychiatric Rehabilitation Education	9/1/2006	Funded
Psych Rehab	Kenneth Gill		Research	Effectiveness of Education Supports on Retention of Postsecondary Students with Psychiatric Disabilities		Funded
Psych Rehab	Kenneth Gill	University of Pennsylvania	Research	Upenn RRTC on Participation & Community Living of Individuals with Psychiatric Disabilities	10/1/2008	Funded
Health Info	Masayuki Shibata	RPCI/Health Research Inc.	Research	PDT Selectivity Using Targeted Photosensitizer	5/1/2007	Funded
Health Info	Masayuki Shibata	NJCCR Seed Grant	Research	Cancer Drug Design with Translational Bioinformatics	4/1/2009	Not funded
Health Info	Dinesh Mital	NIH	Research	Monitoring System for Hospital Emergency Rooms & Critical Care	1/1/2010	Funded
Health Info	Shankar Srinivasan	NIH	Research	Integration of Functional & Visualization Information	1/1/2010	Pending
Health Info	Masayuki Shibata	Foundation of UMDNJ	Research	Prioritization and Validation of Relevant Single Nucleotide Polymorphism for Dental Caries Susceptibility	7/1/2009	Pending
Primary Care	Susan Gould Fogerite	Foundation of UMDNJ	Research	Hormones of stress & inflammation in pre type 2 diabetes	12/01/08	Funded
Primary Care	Susan Gould Fogerite	Foundation of UMDNJ	Research	Effects of Kundalini Yoga on Quality of Life and Physical Function of People with MS	04/27/08	Funded

Primary Care	Shahid R. Aziz	Foundation of UMDNJ	Research	Guided Imagery & Relaxation Techniques as an Adjunct to Preparing & Recovering from Orthognathic Surgeryfor Orthognathic Surgery	01/01/08	Funded
Primary Care	Adam Perlman		Research	Prevalence & Usage Patterns of Complementary & Alternative Medicine (CAM) Among Cancer Patients	07/11/05	Funded
Primary Care	Susan Gould Fogerite	BioDelivery Sciences International SBIR subcontract	Research	HIV Subunit Vaccines	11/14/04	
Primary Care	Lawrence Harrison	Vicus Biosciences, LLC	Research	Novel Treatments for Cancer Cachexia	10/07/05	Funded
Primary Care	Susan Gould Fogerite		Research	A Retrospective Study on Accumulated Data Files to Identify & Compare the Interactions and Differences Between the Diasnoses of Cachexia as Compared to Anorexia	06/27/06	Funded
Primary Care	Adam Perlman	The Healthy Foundation	Research	Effect of Randomized Multivitamin-Mineral Supplementation on Standardized Assessment of Academic Performance in Elementary School Children	08/10/04	Funded
Primary Care	Adam Perlman	Center for Disease Control & Prevention	Research	Massage Therapy for Osteoarthritis of the Knee	01/01/03	Funded
Primary Care	Adam Perlman	Estate of Rose Sorkin Movshow	Gift	Alzheimer's Complementary & Alternative Medicine Program	06/11/07	Funded
Primary Care	Al Heuer	Elsevier Publishers	Education/Training	Asthma Education for Inner City Children	04/11/06	Funded
Primary Care	Adam Perlman	NIH	Training/Education	The Second International Congress on Fascia Research: Basic Health	04/01/09	Pending
Primary Care	Adam Perlman	NIH	Research	Efficacy of Massage Therapy for Osteoarthritis of the Knee	04/01/08	Funded

Primary Care	Adam Perlman	NIH	Research	Embark: Exploring Massage Benefits for Arthritis of the Knee	04/01/09	Pending
Primary Care	Susan Gould Fogerite	Almond Board	Research	The Metabolic Effects of Almond Consumption in Adults with Pre-Diabetes	11/08/05	Funded
Clinical Lab	Shashi Mehta	Foundation of UMDNJ	Research	Enhanced Cytotoxicity of Pancreatic Carcinoma with Chemotherapy in a Novel Nanoparticle Delivery System	7/1/2008	Funded
Clinical Lab	Deborah Josko	Foundation of UMDNJ	Research	A bioinformatics approach to identify and test analogs of Paraquat and Maneb, compounds known to cause Parkinson's Disease in an animal model	7/1/2007	Funded
Clinical Lab	Elaine Keohane	MIH-NCRR (National Center for Research Resources)	Research	Interpersonal Health Research & Training Laboratories	12/1/2009	Pending
Clinical Lab	Shashi Mehta	NJCCR Seed Grant	Research	Pancreatic Cancer Therapy by a Novel Drug Delivery System	6/30/2009	not funded
Clinical Lab	Shashi Mehta	Kamen Foundation	Research	A Preclinical Study of Novel Nanoparticle Encapsulated Chemotherapeutic Drugs & Ceramide Combination in the Treatment of Breast Cancer	02/01/10	Pending
Nutritional Sciences	Riva Touger Decker	American Heart Assn	Research	Wellness in the UMDNJ Workplace: Lifestyle Management Program	7/1/2008	Funded
Nutritional Sciences	Riva Touger Decker	Bridge Funding	Research	Worksite Wellness: A Lifestyle Management Program	4/1/2008	Funded
Nutritional Sciences	Diane Rigassio Radler	Foundation of UMDNJ	Research	Is Metabolic Syndrome Associated with Periodontal Disease in the US Population	7/1/2007	Funded
Nutritional Sciences	Laura Byham Gray	Foundation of UMDNJ	Research	Effect of Aggressive Osteodystrophy Management on Clinical Outcomes in Stage 5 Chronic Kidney Disease (CKD)	7/1/2007	Funded

Nutritional Sciences	Maureen Huhmann	Johnson & Johnson	Education	Assessment of Program & Graduate Outcomes of the WebBased Graduate Programs in Clinical Nutrition	10/1/2007	Funded
Nutritional Sciences	Jane Ziegler	SHRP	Education	The Effect of College Wellness Program on Key Clinical Outcomes	7/1/2008	Funded
Nutritional Sciences	Jane Ziegler	American Dietetic Association	Research	Childhood Obesity Prevention & Disease Risk Reduction: A Needs Assessment & Education Intervention for Pediatric & Orthodontic Dental Residents	7/1/2009
